#### **ABOUT WELCOME HOME TROOPS :**

Welcome Home Troops is a 501 (C)(3) non-profit charity supporting Active duty military families, veterans, gold star wives and wounded warriors. Our mission is to bring the hearts and minds of our soldiers' home through healing and play one soldier at a time.

Dear Community Partner,

Welcome Home Troops, is a 501(C)(3) Non Profit Public Charity dedicated to helping Soldiers, Veterans and Family members deal with the stress of everyday life living with PTSD (POST TRAUMATIC STRESS DISORDER) and TBI (TRAUMATIC BRAIN INJURIES). One of the greatest challenges is getting these wounded soldiers out in the community.

The reintegration process requires community awareness and assistance in these uncertain times. The greatest problems associated with reintegration are families experience the transition just as dramatically as the Service Member or Veteran, there is little or no support or relief from the stress, of re-defining their lives together. Our programs offer new experiences to assist in the development of the family's new normal life together.

Thank you for supporting our Troops, and our mission "to bring the hearts and minds of our Soldiers Home through healing and play one soldier, one family and one community at a time."
